

Valve Action & Capillary Markers

A Diagraph Marker for Every Application

Diagraph offers two types of marking pens. Valve-Action markers and Capillary markers. Valve-Action markers deliver a measured supply of ink to the tip for consistent, permanent marks. The barrel resists ink dry-out even if the cap is left off. Our Capillary-Action felt-tip markers produce permanent, waterproof marks for general applications quickly and conveniently.

Diagraph's New EZ-Clean is a Quick, Convenient & Efficient Way to Remove Stubborn Marks, Adhesives & Residues.

Cleans:
Most Non-Porous Materials
Metal, Steel & Aluminum
Plastics, Glass & PVC Materials

Removes:
Paint, Ink & Crayon
Sticky Labels, Gum & Wax
Soldering Flux
Tar, Asphalt & Grease
Oil Stains
Adhesive Stickers

GP-X Valve Action Marker

The GP-X marker is made for hard to mark surfaces. It makes a bold, opaque, permanent mark on almost any surface, including metal, wood, plastic and glass. Fast drying, permanent ink that won't chip. Weather and fade resistant.

The GP-X is available in 8 different colors. Replacement tips are available in 12 packs.

563 Speedry Valve Action Marker

The 563 Speedry marker is a valve-action paint marker with a replaceable tip. Easy to hold 9/16" diameter aluminum barrel. Air tight color coded cap fits on the recessed end of the barrel. Opaque, fast drying permanent paint marker.

The 563 is available in 14 different colors. Replacement tips are available in 12 packs.

Mark-X Valve Action Marker

The first valve-action disposable marker is still the best for marking on a wide variety of surfaces. Mark-X markers are perfect for marking on fiber, paper, plastic and labels. The permanent mark dries quickly. Each box of 12 markers comes with 6 pocket clips. The Mark-X is available in 4 different colors. Replacement tips are available in 12 packs.

Ideal-Mark Valve Action Marker

The Ideal-Mark valve-action marker. Legendary performance at an excellent value. The Ideal-Mark is an indelible, fade resistant marking pen with a leak-proof aluminum valve and color coded caps. This is the only metal marker in the industry. Ideal-Mark is available in 4 different colors. Replacement tips are available in 12 packs.

Perma-Line Marker

The Perma-Line marker is a Capillary fine-line marker that makes a permanent mark. The Perma-Line marker is ideal for labels, envelopes or any other non-porous surfaces and dries quickly.

The Perma-Line is only available in black.

2018-P Valve Action Marker

The 2018-P valve-action marker will mark on most surfaces. The 2018 is perfect for marking on either porous or non-porous materials. With a air-tight cap and aluminum valve the 2018-P is one of most efficient markers on the market today.

The 2018-P is available in 9 different colors. Replacement tips are available in 12 packs.

Refillable Valve Action Markers

Control-Flo Marker

Our refillable Valve-Actions markers make bold marks on almost any surface. Both the Control-Flo and the MH-6 have large ink capacity's and large felt "bullet style" tips. The

MH-6 is equipped with a holster to allow easy access for any job.

Use Insta-Dry and Stik-Fast Inks.

Replacement tips are available for both.

Jumbo Insta-Marker

The Jumbo Insta-Marker is a Capillary marker which provides an instant, waterproof, permanent mark on any porous surface and on most non-porous surfaces. The Jumbo Insta-Mark features and chisel-point tip for variable size marking and a air tight cap.

Jumbo Insta-Marker is only available in black.

Made in Canada

MH-6 Refillable Marker

Quick Facts:

All markers are sold in boxes of 12, except for the Control-Flo and MH-6

Replacement tips can be purchased in packs of 12 for all markers except for the Perma-Line and Jumbo Insta-Markers. The tips for the Control-Flo and MH-6 are sold individually.
