

**SC-5 Electronic Stencil Machine**

**One Machine For All Your Stencil Needs!!!**

The SC-5 Stencil Machine is the most advanced cutting system sold at a price lower than that of a Jumbo Manual Stencil Machine. The SC-5 Stencil Machine will cut 1/4" characters and above. The unique knife saving technology, extra wide 28" bed and easy to use 7.1 Stencil-CAD software make this machine the best in its class.

The SC-5 Stencil Machine can cut all types of media including .010 stencil board, .015 stencil board, ultra-cut material, magnetic material and a various selection of vinyl.
